Create powerful 2 & 3 dimensional art projects that incorporate nature for plenty of outdoor time. Each week is a new cultural destination: Australia, Egypt, Asia, Africa, France, India, and Mexico. Campers get acquainted with artistic styles of indigenous cultures from around the world.

Geography, vocabulary & abundant reference materials from Art Studio's library are always available. Get your passports ready!

We'll experience art from a distant land combined with music, games, & of course, Friday's farewell party with native cuisine. Mid-morning snacks in a tree house, care & feeding of our pet turtle April & exercise are all part of the fun...
