We will create powerful 2 & 3 dimensional art projects that incorporate nature for plenty of outdoor time.

Visiting new cultural destinations such as Australia, Egypt, Japan, France, England & China, campers get acquainted with artistic styles of indigenous cultures from around the world. Geography, vocabulary & abundant reference materials from Art Studio's library are always available. Get your passports ready!

Each week we'll experience the art from an ancient land combined with music, fashion, sport, & of course, Friday's lunch party with native cuisine. Mid-morning snacks in a tree house, care & feeding of our pet turtle & exercise are all part of the fun...
